

**Coil Winding, Insulation and Electrical
Manufacturing Exhibition & Conference**

CWIEME Chicago 2010

Rosemont, Illinois, USA 26-28 October 2010

CALL FOR PAPERS INDUCTICA 2010

International Conference for inductive and electromagnetic components, systems and devices including manufacturing and processing. To be held in parallel with the Coil Winding and Electrical Manufacturing Exhibition (CWIEME) in Chicago.

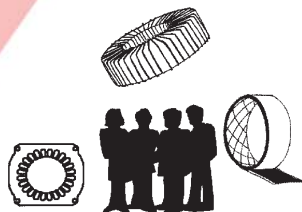

Traditional topics of interest

**Coil winding and inductive component manufacture
Transformer, motor and generator technology
Insulation and partial discharge testing**

Newer topics of interest

**New magnetic materials including magnetic fluids
Modelling and computer simulation
Miniature and micro coils**

Initially abstracts (about 200 words) should be sent to cwiemeusa@coilwindingexpo.com by 31 July 2009. Language: English. Time: 30 (typically 20-25 for presentation, 5-10 for questions).
