

THE WORLD'S LARGEST **Coil Winding, Insulation and Electrical** **Manufacturing Exhibition & Conference** **CWIEME Berlin 2011**

Messe Berlin, Berlin, Germany **May 24, 25 & 26, 2011**
Sponsored by **Coil Winding International & Electrical Insulation Magazine**

CALL FOR PAPERS **INDUCTICA 2011**

International Conference for inductive and electromagnetic components, systems and devices including manufacturing and processing. To be held in parallel with the Coil Winding and Electrical Manufacturing Exhibition (CWIEME) in Berlin.

Traditional topics of interest

Coil winding and inductive component manufacture
Transformer, motor and generator technology
Insulation and partial discharge testing

Newer topics of interest

New magnetic materials including magnetic fluids
Modelling and computer simulation
Miniature and micro coils

Initially abstracts (about 200 words) should be sent to cwiemeusa@coilwindingexpo.com by 30 December 2010. Language: English. Time: 30 (typically 20-25 for presentation, 5-10 for questions).
