

**Coil Winding, Insulation and Electrical
Manufacturing Exhibition & Conference**

CWIEME India

Mumbai - 13 - 15 October 2010

I believe that the exhibition will grow year by year with the manufacturing sector in India growing at a fast rate. We are looking forward to next year's Show and currently figuring out the next machines we are going to display. You bet it is exciting to see our product being displayed with a lot of visitors questioning and appreciating it.
